\*\*\*A teacher who has had a new board installed since June 2009 or later receives the six-hour Core Essentials training as part of that purchase. This training will be delivered on site with the purchase of 3 or more boards.

\*\*\*A one-hour on-site orientation will be delivered with the purchase of 1 or 2 boards. These teachers would also be entitled to attend the six-hour Core Essentials training at G & G, Inc. free of charge.

# ActivInspire 1.4 Beyond the Essentials Class

August 12, 2010

Enclosed is the latest scheduled course offering from G & G, Inc.

This class is for Mac and Windows users.

ActivInspire 1.4 is the latest software available for the Promethean ActivBoard. It is not a revision of ActivStudio but a new program with many changes and enhancements. Some of these features include

- Only one version of ActivInspire is needed. It is cross platform: Mac and Windows.
- Users may choose a primary or secondary look based on grade level and comfort.
- Many new templates are included for quick lesson building.
- There is an easier user-interface for quick design and customization.
- Open all previously created flipcharts in Inspire.
- ActivExpressions work with ActivInspire and do not require separate software.

**The full professional version is a free download from <http://www.prometheanplanet.com> until September 2010 for existing ActivBoard users.**

Requirements for ActivInspire: **Mac:** Intel Mac, OS 10.4.11 & above, 512MB RAM, 1024x768 resolution, 10 GB free disk space  
**PC:** WIN XP, Vista or Windows 7, Pentium 4, 1 GHz processor, 512MB RAM, 1024x768 resolution, 10 GB free disk space

Course:

### **Beyond the Essentials**

- ActivBoard users who have completed Core Essentials I and II
- Expand your use of ActivInspire: create User Defined Shortcuts, use various Page and Object Properties, attach actions using the Action Browser, and insert media into flipcharts.

**The Promethean ActivLearning Training Series manual Beyond the Essentials is included with this course.**

Register online at <http://www.bclsite.com>, mail or fax (440.892.8811) each registration to G & G, Inc. to reserve a spot in the class. Checks are payable to G & G, Inc. Schools may send one check for all participants.

**RETURN ONE REGISTRATION FORM PER PERSON.**
